Day 9: Taunton-ish - Widemouth Bay

25 Jun 2016

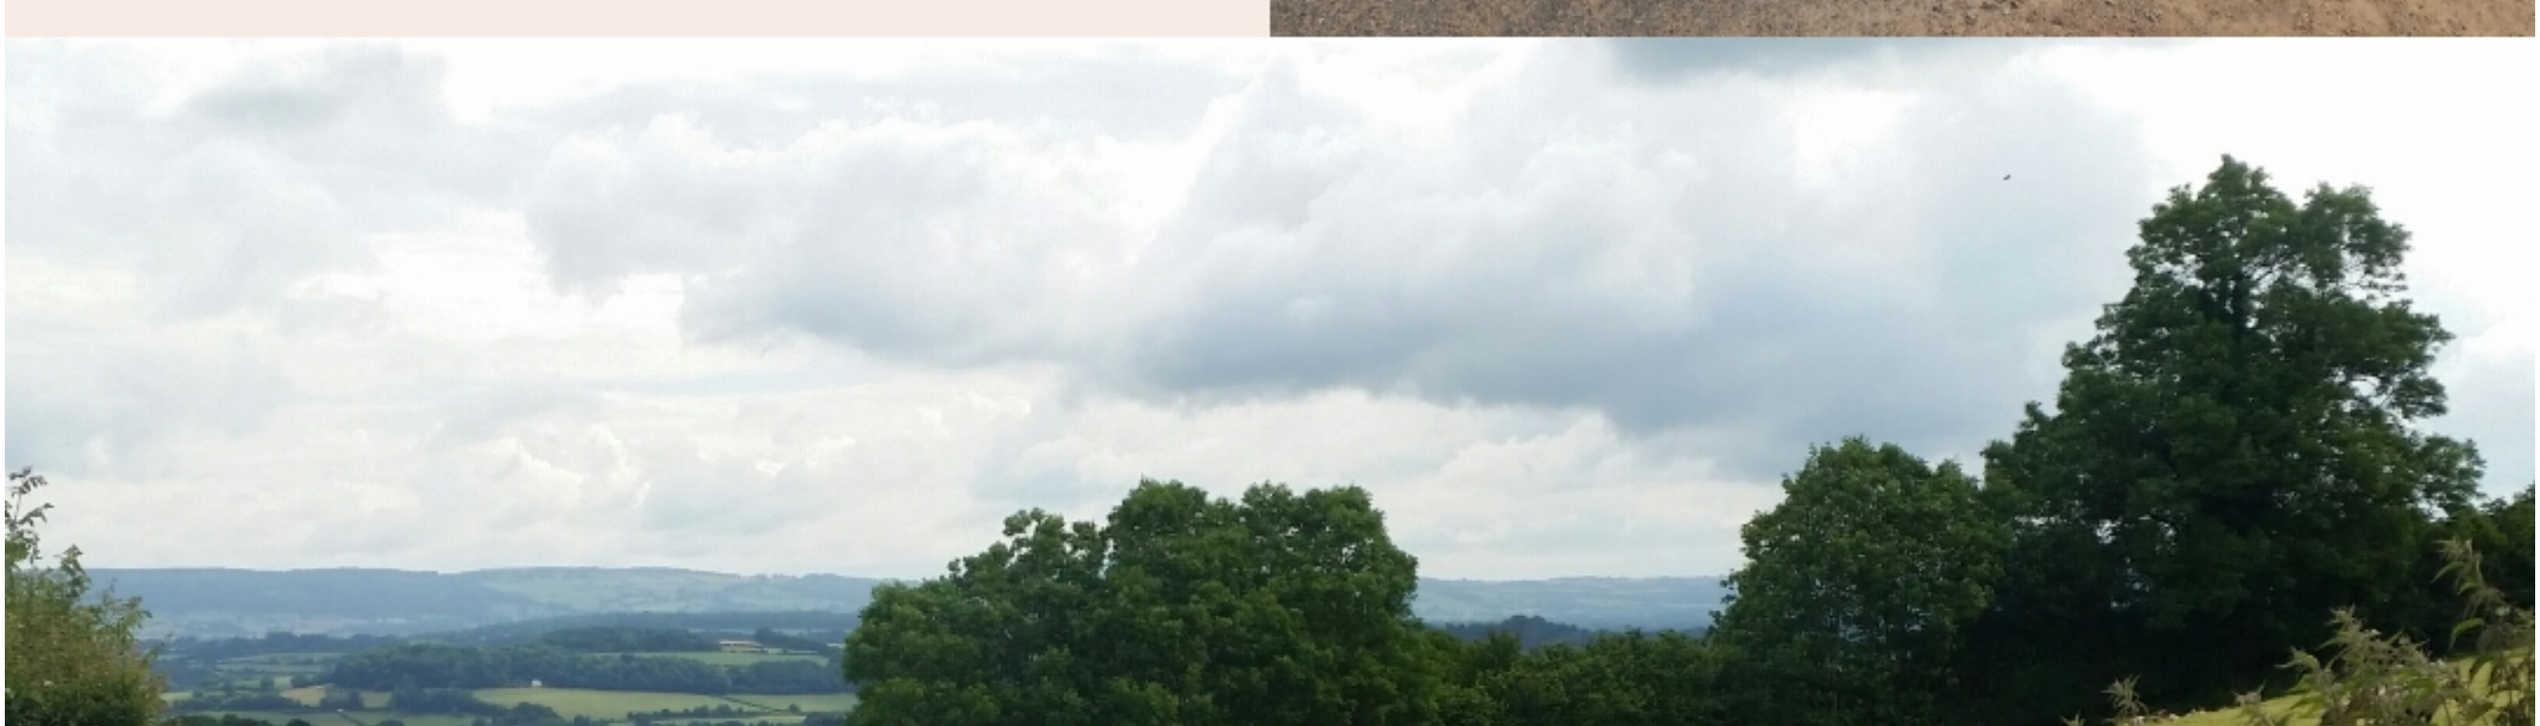

After a leisurely breakfast with Stuart (Lorraine had left early to have her haircut...in Birmingham!) we left around 9:30. No Taunton parkrun for me today - it's was 30 mins ride in the wrong direction!...

Stuart left us at the top of 'The Devil's Elbow', a climb he termed ' a bit of a drag'. We were all puffing too much at the top to argue.

A Halfords emergency stop to more or less rebuild my bike on Tiverton. Tom & Henry were superb - my End to End could well have ended otherwise.

Phil's 1st Cream Tea of LEJOG....at Cumleigh Golf Course. And very nice it was too - Jeff was lovely, very helpful, and served exceptional cream team...the best of the journey so far!
